PRESIDENTS REPORT

Welcome to the smoke free Ontario, no matter what side of the debate you are on the fact is that it is hurting the bottom line here at the branch. It is to early to make a conclusion of how much , but it is having an effect. The only bright spot is the hard work of Dawn Lewis and her crew with the fish fry's and BBQ's. Also Brad Brewer and company serving dinners on Thursdays for the Duffer's and dart players. The 4.30 meat draw on Saturdays is still going on every Saturday. Meat draws will start in the fall and it is a good fun afternoon so bring your non-smoking friends and join us. There will be several events coming up during the next year, Vets dinner, Robbie Burns night, 80th anniversary dinner and many others, so please read your bullytin and watch the notice board. Your support and participation at the branch is vital to our financial health, so drop by with your friends it may encourage them to become members and we would certainly welcome them. There will be a general meeting on **WEDNESDAY 20TH SEPTEMBER 8pm**. This is where the business of the branch is done. So if you have any concerns Questions or ideas please plan to attend.

MEMBERSHIP REPORT

Once again this year the members responded well to renewals and the recruiting of new members THANK YOU !!. Our strength is in numbers and our membership is strong. At the recent Dominion Convention two things were passed which will affect us. The first is a resolution that was passed that the per capita dues increase by \$4.50 (I fought strongly against this). This coupled with a \$1.90 at Provincial level last year is a increase of \$6.40. We feel that we cannot hold the line at \$40 so at the general meeting in September I will propose an increase to \$45 for membership dues. The second thing that passed was that any member who is a Canadian citizen or Commonwealth subject will have full voting rights as of 1st October 2006. I hope to see you at the general meeting any questions or concerns contact me Mike Alkerton
